Our Aims

The basic aim and ethos of the nursery is to ensure that each child has a happy and fulfilled day in a safe, secure child-centred environment.

Our staff will help each child to develop their own potential with a comprehensive and structured programme and age appropriate activities with flexibility to meet the individual child's needs, taking into account children's race, cultures and religions.

By the time your child leaves the nursery our aim is to enable them to write their own name, count and recognise each number in sequence, have good social skills and be a well rounded experienced child.

Limehouse Childcare meets the National Curriculum Key Stage One and Ofsted requirements including Early Learning Goals.

We have been awarded Quality Counts, the Investors in Children endorsed accreditation scheme of the National Day Nursery Association (NDNA)

**Our opening hours are from 7.00am to 6.45pm
Monday to Friday for 51 weeks of the year**

Limehouse Childcare registered with OFSTED, Early Years, the governing body which regulates the premises, staff children and equipment of all childcare within England.

Our curriculum is planned carefully in-line with the Early Years Foundation Stage One

We provide a healthy, nutritious menu for all the meals and snacks prepared in our kitchen, using fresh ingredients. All dietary requirements and any food allergies or intolerances are also followed and met.

About Our Nursery

All children in our care are under direct supervision of NVQ Level 3 childcare qualified staff

Baby Unit

We know babies need lots of love and attention and also a stimulating environment to be around so within baby unit we ensure that they have this by ensuring that all staff are qualified and up to date with all training including First Aid and Health and Safety. There are 6 members of staff within baby room and within this unit we can accommodate 18 babies. Usually babies stay in this unit until they are 18 months old before moving onto the Toddler room but every child is different.

Toddler Unit

Every child is an individual and we offer them opportunities to develop confidence and independence through activities. There are planned and structured activities and lots of free play which the children are encouraged to explore for themselves. There are 6 members of staff in Toddler room and within this room we can accommodate 32 toddlers within here.

Pre-School

We use the Early Learning Goals, part of the Early Learning Foundation Stage in Pre School to help children develop at their own pace and interact with other children and adults. Staff encourage and supports all children's emotional, social, cognitive and physical development by providing a stimulating environment for them. There are 4 members of staff within this room of which one is a qualified Teacher. We can accommodate 45 children in this unit.

We have a settling in period which we will discuss with you should you register here with us. We also do home visits to discuss with you your child in more detail.

Fee Structure

We have a number of subsidised places available, please ask to see if you are eligible. Fees are inclusive of all care provision; food, drink and the following formula milk (for babies): We only supply Aptamil and Cow & Gate, all other formula milk must be supplied by yourself. Special outings will be charged for and parents will be given details in advance of all such events.

Full Day Care cover the period between 7.00am - 6.45pm Monday to Friday.

Part Time Places are for a minimum of 3 days per week for full days (half days charged same as full day). From 1st April 2014

Full Time

Full Time if using the 15 hour free places
